

# THADTHON SANGKHACHON

**Address:** 109 Village No.1, Siladan Sub-district, Manorom District, Chai Nat 17110

**Phone:** 09-8747-5306

**Email:** thad.sangkhachon@gmail.com

**Website:** <https://thadthon.vercel.app>

## JOB OBJECTIVE

Computer Engineering student passionate about Network and Cyber Security, seeking an internship as a Cyber Security Engineer to gain practical experience and contribute to securing systems.

## EDUCATION

**Bachelor of Computer Engineering with a current GPA of 3.61** 2021 - Present  
Suranaree University of Technology, Nakhon Ratchasima, Thailand

**High School Diploma** 2019 - 2021  
Ulitphaiboonchanoopatham School, Chai Nat, Thailand

## EXPERIENCE

**Fullstack Developer, SUT Online Attendance System** Jun 2024 - Oct 2024

- Developed an online student attendance system that integrates with Line OA, allowing students to check in by scanning a QR code.
- Implemented location tracking to ensure attendance is only marked within the classroom area, preventing off-location check-ins.

**Fullstack Developer, Cat's Voice** Aug 2024 - Oct 2024

- Developed a web platform for pet adoption, specifically for dogs and cats, as part of the Advanced Web Application Development course.

**Machine Vision Developer, Bell Pepper Sorting Machine Vision** May 2024 - Jun 2024

- Developed a machine vision system for sorting bell peppers based on image processing techniques.

**Fullstack Developer, Key Software Online** Nov 2023 - Feb 2024

- Developed an online sales platform for software keys as part of the Software Engineering course.
- Implemented a product listing system and an inventory management system to manage product information and availability.

## EXTRACURRICULAR ACTIVITIES

**Attendee, Accelerate App Development with Cloud Native, Online,** Aug 2023  
**Suranaree University of Technology**

- Attended a comprehensive workshop on Cloud Native application development, covering key concepts and practices in transforming software systems from Monolith to Cloud Native architecture.

**Attendee, Microcontroller Camp, School of Computer Engineering,** Aug 2022  
**Suranaree University of Technology**

- Participated in a comprehensive camp focusing on microcontroller programming applications, including hands-on training with Arduino and testing with ESP32 boards.

## COMPETENCY AND ATTRIBUTE

---

### Computer Skills

- Programming Languages: JavaScript, TypeScript, Python, Java, C, Go
- Web Development Tools: HTML, CSS, JavaScript, TypeScript, React, Angular, Node.js
- Database Management: MySQL, MongoDB, Postgresql, Sqlite
- Networking Tools: Cisco Packet Tracer
- Operating Systems: Windows, Linux (Ubuntu)
- Office Software: Microsoft Office Suite (Word, Excel, PowerPoint)
- Embedded Systems & IoT: Arduino, ESP32, Raspberry Pi

### Languages

- Thai (Native)
- English (Basic)

### Interests & Hobby

- Web Application Development
- Network & Cyber Security
- Watching movies and listening to music
- Taking online courses to learn new technologies
